Chat

Chat

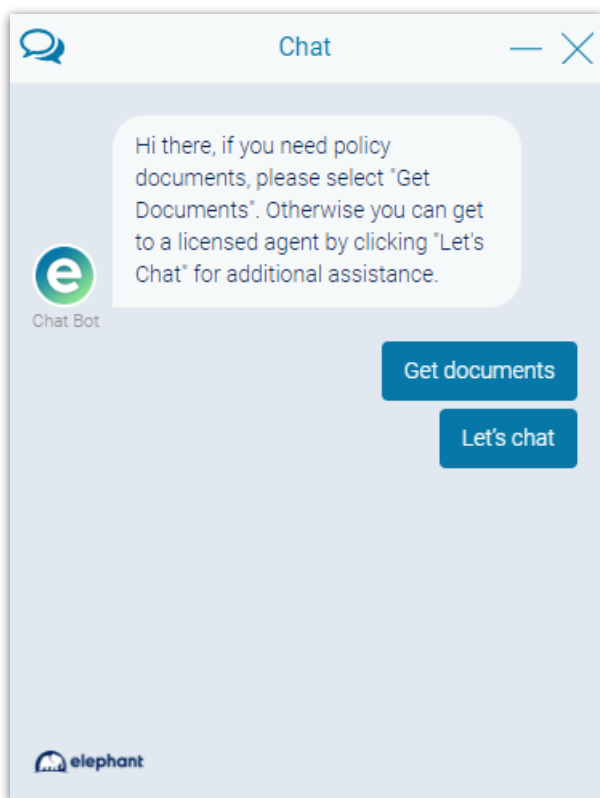

You can access chats several ways, you will be talking to a live agent. If you need sales support, you can access chat in the bottom right corner on the quote retrieval page or in the quote journey here or on the homepage of the Agency Resource Center, [here](#). You will see a box that looks like below. If you have questions about or need to make changes to an existing or canceled policy, select "existing policy." If you need sales support for a quote for a brand-new customer, select "quote for a new policy." You want to be sure to select the right one as you will be talking with a live agent and specific agents can only help with specific things.
